

JOHN C. DUNHAM STEM PARTNERSHIP SCHOOL
Lunch and Breakfast Program

LUNCH INFORMATION

LOCATION Students attending the John C. Dunham STEM Partnership School will be eating lunch each day in the Aurora University dining hall located across the campus from the STEM School.

TIME The lunch period (4th period) is from 10:45-11:15am. Teachers and student aides will escort students to the dining hall at 10:35am. Lunch will be followed by a 15 minute recess. Students will be escorted back to class.

PAYMENT Students may either bring a lunch from home or purchase a lunch prepared by Sodexo. The cost of the Sodexo lunch is \$3.05. Milk purchased separately is \$.40. There will also be some a la carte items available, which may be purchased with cash. Parents will follow the procedures at their child's home district for paying for lunch. We will report which students eat a Sodexo lunch each day to the home school districts.

Each district will keep track of the account balances of its students to make sure they have enough money in their accounts. If a student does not have enough money in the account, the district will notify the staff at STEM who will need to ensure the student does not take a Sodexo lunch until the account is replenished in accordance to the home district's requirements. We would appreciate parents' assistance to ensure that this does not occur.

Students who qualify and have registered for their district's free or reduced lunch program will follow the same procedure above to get lunch. The district will follow reimbursement procedures with the state.

BREAKFAST INFORMATION

LOCATION AND TIME We will also be having breakfast each day from 7:45-8:10am. Breakfast will be eaten in the classroom. The cost of the breakfast provided by Sodexo is \$1.75. Students may also bring their own breakfast.

PAYMENT Payment for breakfast will work the same way as it does for lunch. Parents will put money in their child's account following the procedures set forth by the child's home school district. However, because breakfasts are delivered each morning to the classroom, we must know which students will be eating Sodexo breakfasts for a whole semester. As such, please complete the bottom of this form indicating whether your child will be eating a Sodexo breakfast each morning for the first semester and return it to the school by mail or send it to school with your child.
