LEGO ROBOTICS ACADEMY

NEW & REPEATS STUDENTS CAN TAKE THIS AFTERSCHOOL PROGRAM!!

The Lego Robotics Academy is a comprehensive after school program where children learn to design, build, and program robots. Using a creative educational approach that supports Science, Technology, Engineering and Math (STEM), this class is led by Chasewood Learning’s teacher-led instruction followed by fun, engaging and dynamic activities.

Class Description:
The Robotics Academy is a **repeatable** program where children are placed based on skill and experience. Students can move up a level each time they take the class to take on more advanced concepts.

Academy Levels:

| When:                      | Thursday’s after school: 3:15pm – 4:15pm
