| PSY 3250 Lifespan Development | PSY 209 Human Growth & Development |

School of Nursing Admission Requirements

Students must be admitted to Aurora University before applying to the School of Nursing. **Apply to the university at aurora.edu/apply and send official transcripts from all previously attended colleges and universities.** There is a competitive, program-specific admission process for a limited number of seats in the BSN program for Aurora University students or transfer students.

In addition to the Aurora University undergraduate admission requirements, students applying to the BSN degree program are required to meet the following:

- A minimum cumulative grade point average (GPA) of 2.75/4.0 scale (3.42/5.0) at Aurora University or other accredited higher education institution.
- All nursing prerequisite courses taken must be completed with a “C” or better prior to the time of review of the applicant's file for entry into the BSN degree program. All applicants must have obtained a "C" or better in all *completed* prerequisites to be considered for admission. Courses taken after provisional admission and prior to the beginning of the 3000-level nursing courses must be completed with a “C” or better.
- All science prerequisites must have been completed within the last ten years.
- Applicants who are graduates of foreign secondary schools where the primary language is not English must obtain a composite score of at least 550 (or a 213-220) on the computer-based test from the Test of English Foreign Language (TOEFL) or ESL Level 109.
- **Students are required to have successfully completed 60 semester hours (SH) prior to entering the 3000-level nursing courses.** An applicant may have a maximum of 20 SH in progress the semester prior to beginning clinical courses (i.e., 12 SH fall or spring & 8 SH summer) when their file is reviewed for admission.
